I'm broken, broken in the midst of this world. But you're smiling, blind to it all. I'm broken anyway, so I halt my breath Not even the truth can unravel me. Freeze. I'm breakable, unbreakable I'm shakeable, unshakeable* I've found you! I'm standing here in a twisted, shaking world. But no one can see my transparent form. Please don't find me... don't look upon me. In this world that someone else imagined, I don't wanna hurt you (it's not my nature). So please just remember me. As vivid as I used to be. Endlessly expanding solitude wraps around me. And I'm reminded of times I laughed innocently, But I can't move, can't get loose, can't get loose, can't move, can't move! In this lonely trap that world Something changed in me, I couldn't change; The two mix together, both of us facing destruction. I'm breakable, unbreakable; I'm shakeable, unshakeable* But I won't let you be defiled! I'm standing here in a twisted, shaking world, But no one can see my transparent form. Please don't find me... don't look upon me. In this lonely trap that someone planned, Please, before the future becomes unraveled, Remember me, As vivid as I used to be. Don't forget, don't forget, don't forget, I'm paralyzed by the the fact that I changed. In a paradise of nothing I can change, So please just remember me. Please tell me... tell me... Just who lies within me?
